Southern Conference Announces TIAA-CREF Fall Academic All-Conference Teams

SPARTANBURG, SC -- The Southern Conference today announced its TIAA-CREF Academic All-Conference teams for the fall of 2004. A total of 244 student-athletes, representing all 12 Southern Conference institutions, were named to the team.

The 244 student-athletes averaged a 3.39 grade point average on a 4.0 scale. One hundred forty-four of those student-athletes earned a 3.5 or above.

To be eligible, a student-athlete must have at least a 3.2 cumulative grade point average and have competed in at least one-half of their team's competitions during the fall.

This is the third year that the Southern Conference has named an All-Academic Team by season. The All-Academic teams are made possible by a grant from the Southern Conference's Education Partner, TIAA-CREF.

Women's soccer placed the most student-athletes on the team with 81, followed by women's cross country with 43 and volleyball with 37. Wofford had the most individuals selected with 35 honorees, followed by Elon with 31 and Appalachian State with 29.

For over 85 years, TIAA/CREF has been helping millions of people working in the academic, medical and cultural fields plan for their retirement. Our clear and long-held commitment to serve those who dedicate themselves to the benefit and enlightenment of others remains unchanged.

With our nonprofit heritage, TIAA-CREF has long subscribed to a different set of guiding principles. Principles directly influenced by the people we serve. With over \$310 billion in combined assets as of June 30, 2004, our approach to investing goes beyond sound portfolio management. We are mindful of our social responsibilities. And we stay focused on the best interests of our participants. Visit TIAA-CREF.org or call 800 842-2776.
