Southern Conference Announces TIAA-CREF Fall Academic All-Conference Teams

SPARTANBURG, SC -- The Southern Conference today announced its TIAA-CREF Academic All-Conference teams for the fall semester of 2003. A total of 241 student-athletes, representing all 12 Southern Conference institutions were named to the team.

The 241 student-athletes averaged a 3.54 grade point average on a 4.0 scale.

To be eligible, a student-athlete must have at least a 3.2 cumulative grade point average and have competed in at least one-half of their team's competitions during the fall.

This is the second year that the Southern Conference has named an All-Academic Team by season. The program started with winter sports All-Academic teams in basketball, wrestling and indoor track. The All-Academic teams are made possible by a grant from the Southern Conference's Education Partner, TIAA-CREF.

Women's soccer had the most individuals on the team with 76. There were 44 volleyball and 44 women's cross country student-athletes named to the All-Academic team followed by football with 29. Elon had the most individuals selected with 37 honorees, followed by Wofford with 31 and Furman with 26.

TIAA-CREF, with approximately \$259 billion in assets under management, is the premier retirement system for the education and research sector in the U.S., serving 2.5 million participants at 15,000 institutions. Additionally, the TIAA-CREF group of companies offers mutual funds, after-tax annuities, life insurance, and trust services to the general public. The TIAA-CREF group also manages 13 state-sponsored college savings programs, more than any other company.
