= Does not sponsor sport.														
Each spot in the standings is worth an equal share of the 10 possible points available per sport.														
EX: 1st place in football: 9 (max shares among 9 teams) x (10/9) (shares possible) = 10. 2nd place: 8 x (10/9) = 8.89														
Teams that tie receive the average of points for positions involved in the tie.														
Two bonus points are awarded for winning a tournament championship in sports with regular-season champions.														
Only the top seven sports for each school count in the year-end total.														
The schools' scores are then divided by 70 (the maximum point total) to find their percentages.
