

2018 SoCon Men's Lacrosse Championship

Robins Stadium • Richmond, Va.

May 3 & 5

CONFERENCE NEWS AND NOTES

• Richmond (9-5) and High Point (6-7) each won their final regular-season games to finish with 6-1 records in league play and share the regular-season SoCon title, which is the third for the Spiders and the first for the Panthers. UR earned the top seed in the league tournament by virtue of its 15-12 win over High Point on March 24.

• Jacksonville had already secured the No. 3 seed and its second straight tournament appearance heading into the final weekend of league play, but Furman needed a goal by David Williamson will three seconds left in its 8-7 win over Bellarmine to clinch the final spot in the tournament.

• Richmond, which has also hosted each of the previous three league championships, has reached the title game all three times, posting a trio of runner-up finishes.

• Top-seeded Richmond and No. 4 seed Furman will meet in Thursday's first semifinal. The Spiders have beaten the Paladins in both previous meetings in the tournament, earning wins in the semifinals in both 2015 and 2017. Furman won this season's regular-season matchup 10-9 on March 17, picking up its first-ever win over Richmond.

• High Point and Jacksonville will square off in Thursday's second semifinal. The sides have never met in SoCon tournament play. High Point took an 11-9 win over Jacksonville on March 31 of this season.

• Richmond is the only league school to have qualified for all four SoCon Championships since the league added the sport in 2015.

• High Point freshman Asher Nolting, the league's leading scorer and a midseason addition to the Tewaaraton Award watch list, scored seven points on two goals and five assists on April 28 to become the first player in league history to record 30 goals and 30 assists in the same season. He enters the tournament with 30 goals and 34 assists for a league-best 64 points, matching the single-season SoCon record set by Air Force's Chris Walsch in 2016 and equaled by Walsch in 2017.

• Jacksonville and Richmond are both receiving votes in the latest USILA poll.

• Richmond junior Teddy Hatfield had four assists in the Spiders' regular-season finale and is the league's all-time leading scorer with 143 career points on 81 goals and 62 assists.

• Furman senior Jonah Moore is tied for the SoCon's career lead in assists with 65.

• Entering the tournament at 7-6 overall, Jacksonville is assured of posting its second season at .500 or better in program history. The Dolphins went 8-5 in 2013 for their only winning season.

• Three SoCon players were selected in the Major League Lacrosse Collegiate Draft, and all three are JU seniors. Faceoff specialist Hunter Forbes was taken by the Atlanta Blaze in the fifth round; midfielder Ryan Beville was selected by the Florida Launch in the sixth round; and midfielder McLean Chicquen was taken in the seventh round by the Dallas Rattlers.
