Southern Conference Code of Spectator Conduct

Southern Conference teams shall be supported with enthusiasm and dedication, for strong support is a vital part of the experience of college competition.

We expect good sportsmanship from players and coaches. They have a right to expect the same from spectators.

Therefore, we urge Southern Conference students, alumni and friends to cheer their teams to victory while upholding those ideals our colleges and universities have nurtured during the long history of the Southern Conference.

Our spectators should be courteous and judicious in choice of expression, and should exhibit good manners and kindness to all others.

The scoreboard will reflect the quality of the teams in competitions while the kind of support given by the spectators will reveal the character of Southern Conference fans.
